Federal Communications Commission  
Office of Secretary

Dear Ms. Dortch:

Mobile Satellite Ventures LP ("MSV") and Inmarsat Ventures Limited ("Inmarsat") are working toward resolving technical differences in order to permit operation of their respective systems. To that end, MSV respectfully requests, with Inmarsat's concurrence, that the Commission stop testing Inmarsat terminals. This will avoid using valuable Commission resources on this matter, thereby allowing the two parties to resolve issues on their own.

Please direct any questions regarding this matter to the undersigned.

Very truly yours,

Lon C. Levin
